

Supplementary table S1. Visual skills depending on the sport. [International Sports Vision Association (ISVA)] <https://www.sportsvision.pro/>

Sports	Visual Skills
Baseball/Softball	Eye Tracking and Eye Focusing; Eye Teaming; Anticipation Timing; Visual Attention (Concentration); Depth Perception; Dynamic Visual Acuity; Eye-Hand Coordination; Peripheral Awareness; Visual Reaction Time/Initiated Speed; Visualization Concentration/Focus; Accommodation and Convergence;
Basketball	Anticipation Timing; Depth Perception; Dynamic Visual Acuity; Eye Fatigue and Performance Levels; Fixation Ability; Peripheral Vision/Awareness; Speed and Span of Recognition; Visual Reaction Speed
Boxing	Anticipation Timing; Concentration; Depth Perception; Eye-Hand/Body/Foot Coordination; Eye Fatigue; Eye Motility; Peripheral Vision and Awareness; Speed of Recognition; Visualization
Football	<ul style="list-style-type: none"> • <u>Quarterbacks</u>: Anticipation Timing; Concentration; Depth Perception; Divergence; Eye-Hand/Foot/Body Coordination; Peripheral Vision/Awareness; Speed and Span of Recognition
	<ul style="list-style-type: none"> • <u>Receivers</u>: Accommodation & Convergence; Concentration; Depth Perception; Eye Fatigue; Peripheral Vision/Awareness.
	<ul style="list-style-type: none"> • <u>Running Backs</u>: Accommodation & Convergence; Concentration; Eye-Hand Coordination.
Football	<ul style="list-style-type: none"> • <u>Defensive Backs and Safeties</u>: Accommodation & Convergence; Anticipation Timing; Concentration; Eye-Hand Coordination; Peripheral Vision/Awareness
	<ul style="list-style-type: none"> • <u>Linebackers</u>: Concentration; Peripheral Vision and Awareness; Speed & Span of Recognition
	<ul style="list-style-type: none"> • <u>Kickers</u>: Concentration; Anticipation Timing; Accommodation & Convergence; Depth Perception; Eye-Hand/Body/Foot Coordination
Golf	Concentration; Depth Perception; Eye-Hand/Foot/Body Coordination; Fixation Ability; Focusing and Tracking; Peripheral Awareness; Visualization
Hockey	Accommodation & Convergence; Anticipation Timing; Concentration; Depth Perception; Eye Fatigue and Performance Levels; Eye-Hand Coordination; Peripheral Vision/Awareness; Visual Reaction Time
Motorsports	Accommodation and Convergence; Anticipation Timing; Concentration; Depth Perception; Dynamic Visual Acuity; Eye-Hand Coordination/The Visual System Leads The Motor System; Peripheral Awareness; Speed and Span of Recognition
Skiing	Accommodation and Convergence; Anticipation Timing; Concentration; Depth Perception; Eye-Hand/Foot/Body

Soccer	<p>Coordination; Peripheral Awareness; Speed and Span of Recognition; Visual Reaction Speed/Time</p> <p>Accommodation and Convergence; Concentration; Depth Perception; Eye Fatigue; Eye-Hand/Body/Foot Coordination; Fixation Ability; Peripheral Vision/Awareness; Speed and Span of Recognition</p>
Table Tennis	<p>Accommodation and Convergence; Anticipation Timing; Concentration; Depth Perception; Eye Fatigue; Eye-Hand Coordination; Peripheral Vision/Awareness; Speed and Span of Recognition; Visual Reaction Time/Speed</p>
Tennis	<p>Accommodation & Convergence; Anticipation Timing; Concentration; Depth Perception; Eye Fatigue; Eye-Hand Coordination; Peripheral Vision/Awareness; Speed and Span of Recognition</p>
