

## Survey 1

<b>Please select which option best represents the canteen at your venue:</b>									
No canteen									
Privately owned and operated									
Club owned and operated									
Council owned and operated									
Other (please specify)									
<b>Do you think that the canteen as it currently operates has appropriate food/beverage options?</b>									
Yes									
No									
<b>Do you have any influence (given your position at the facility) over products available in the canteen?</b>									
Yes									
No									
<b>How important do you think it is to have healthy food/drink options at the canteen? (with 0 being not i</b>									
<b>Have you heard of the food traffic light system before?</b>									
Yes									
No									
<b>How confident are you that you could easily distinguish between a "green" healthy, "amber" choose ca</b>									
<b>What are the main barriers to introducing healthier options at your canteen? (Please choose all that ap</b>									
People don't want to buy healthy options:									
Food waste - fresh food if not bought has to be thrown out:									
No time:									
Negative financial implication on my total sales:									
I have no idea which products can be a healthier alternative to my existing stock:									
People playing sport need to have access to sport drinks:									
I don't know enough about nutrition to even think about implementing alternative options in the canteen									
The facility is locked into options available through a contracted supplier:									
I don't know where to source the supply of healthier options:									
The price of healthier options is unlikely to be attractive to consumers at our facility:									
There is a lack of storage (fridge or dry) for alternative canteen options:									
Staff/volunteers would need to be upskilled in food safety practices if healthier options were implemente									
Other (please specify):									
<b>What impact do you think a healthier canteen will have on sales?</b>									
Increase									
Reduce									
No impact									

## Survey 2

<b>Please select which option best represents the canteen at your venue:</b>
