Table S2

Ladies and gentlemen,

We kindly ask you to fill in the following questionnaire, prepared in the Department of Human Nutrition at Wrocław University of Environmental and Life Sciences.

The questionnaire is completely anonymous and its results will be used only for scientific work, so please fill it in independently and conscientiously.

This assessment asks how you feel about your quality of life, health, or other areas of your life. Please answer all the questions. If you are unsure about which response to give to a question, please choose the one that appears most appropriate. This can often be your first response.

Thank you in advance for your time and reliable answers.
