Outcome^c

| | |
|-------------------------------|------------------------------------------------|
| Laboratory confirmed COVID-19 | RAW.co19_t200_trans_dn WHERE CONFIRM IN ('Y'); |
| Death | RAW.co19_t200_trans_dn WHERE DEATH IN ('Y'); |

^a Based on the International Classification of Disease, 10th Revision codes.

^b Based on World Health Organization-Anatomical Therapeutic Chemical classification codes.

^c The diagnosis of COVID-19 and outcome of death identified by SAS codes which were validated by linkage with the registry of laboratory-confirmed COVID-19 patients from the Korea Disease Control and Prevention (KCDC).
