We have found two inadvertent errors in our paper published in *Nutrients* [1].

On page 909, reference number 38, the first author should read “Ley” and not “Lev”. Additionally, the year cited should read “2014” and not “2010”. The final reference should read:

38. Ley, S.H.; Sun, Q.; Willett, W.C.; Eliassen, A.H.; Wu, K.; Pan, A.; Grodstein, F.; Hu, F.B. Associations between red meat intake and biomarkers of inflammation and glucose metabolism in women. *Am. J. Clin. Nutr.* **2014**, *99*, 352–360.

These changes have no material impact on the conclusions of our paper. We apologize to our readers.
