

Supplementary Information:

Micromirror-embedded coverslip assembly for bidirectional microscopic imaging

Dongwoo Lee, Jihye Kim, Eunjoo Song, Ji-Young Jeong, Eun-chae Jeon, Pilhan Kim and Wonhee Lee*

Supplementary Figures

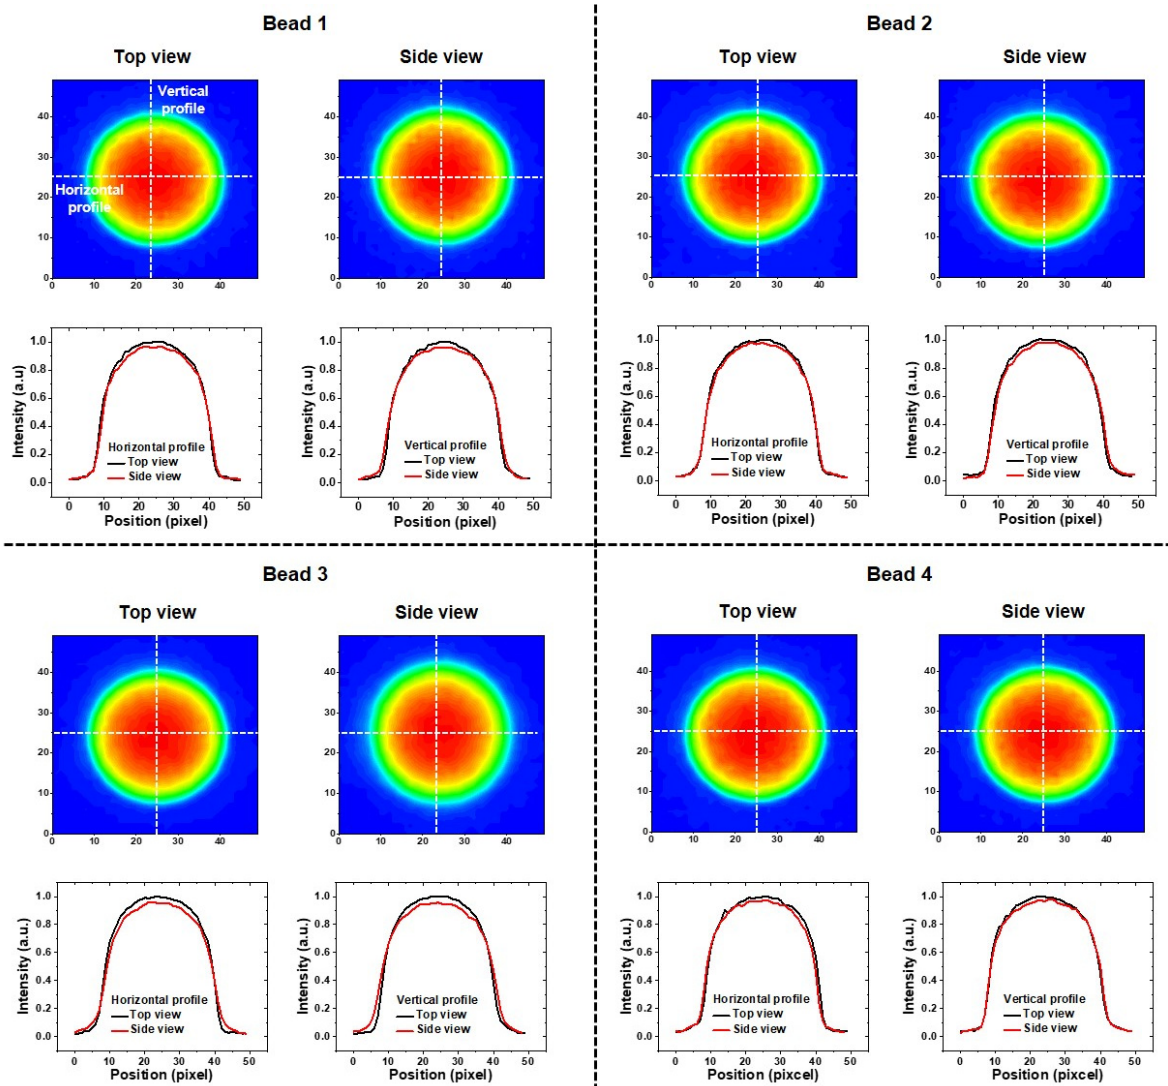

Figure S1. Intensity contours and intensity profiles in top-view and side-view of fluorescent beads.

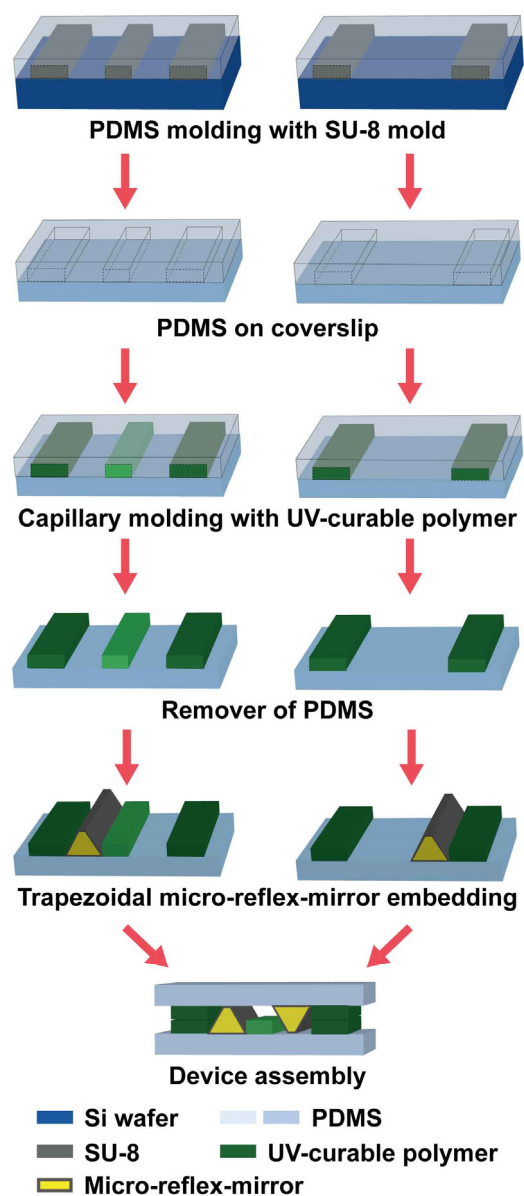

Figure S2. Fabrication steps of the micromirror-embedded coverslip with a stage for imaging of red blood cells.
