Received: 7 February 2018; Accepted: 8 February 2018; Published: 13 February 2018

The *Geosciences* Editorial Office would like to make the following change to this paper [1]. The title of the originally published paper was missing the word “Pyplis” and should have read: “*Pyplis*—A Python Software Toolbox for the Analysis of SO₂ Camera Images for Emission Rate Retrievals from Point Sources”.

We apologize for any inconvenience caused to the readers by this change. The change does not affect the scientific results.
