The authors wish to make the following corrections to this paper [1]:

In Section 2.2 Working Definition of Urban Water Security:

“There is no widely recognized definition of urban water security [31]. In terms of widely-referenced definitions (Table 1), a recent review has identified 25 definitions of water security, of which only three relate to the urban level [73]” should be revised as “There is no widely recognized definition of urban water security [31,32,37,39,44,73]. In terms of widely-referenced definitions (Table 1), a recent review has identified 25 definitions of water security, of which only three relate to the urban level [31]”.

The authors would like to apologize for any inconvenience caused to the readers by the change. The change does not affect the scientific results. The manuscript will be updated, and the original will remain online on the article webpage, with a reference to this correction.
