

SACCHARIDES AS PARTICULATE MATTER TRACERS OF BIOMASS BURNING: A REVIEW

Table S1: Saccharide compounds identified in the research articles reviewed. Concentrations are expressed in ng/m³.

Compounds	Location	Source	Fraction sampled	Period	Technique	Conc.	Reference
<i>Levoglucosan</i>							
	China	-	PM _{2.5}	Summer	GC-MS	89	[55]
	Thailand	-	PM _{2.5}	Winter-Spring	IC-PAD	1222	[57]
	Nepal	suburban background	PM _{2.5}	Spring	GC-MS	1230	[36]
