## 2023 TRAVEL AWARD

FOR PHD OR ENROLLED AS A PHD STUDENT

Dear Colleagues,

We are pleased to announce the launch of the *Atoms* 2023 Travel Award, which will be granted to a junior scientist in this field of research. The applications will be assessed by an evaluation committee consisting of senior scholars from the *Atoms* Editorial Board.

This award will provide financial support for the winner to attend a virtual or physical international conference based on research in the field of atoms, which will be held in 2023, in order to deliver a presentation, present a poster, or both.

### **Candidate Requirements:**

- Postdoctoral fellows or Ph.D. students;
- Plans to attend a virtual or physical international conference in 2023 (to deliver an oral presentation or present a poster).

### **Required Application Documents:**

- Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- Curriculum vitae and a list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/Ph.D. student.

### **The Prizes:**

One winner (awardee) will be awarded

- CHF 500 for a virtual conference or CHF 800 for a physical conference;
- A certificate;
- An offer to publish one manuscript, free of charge, in *Atoms* before the end of 2023.

Please submit your applications for the *Atoms* 2023 Travel Award online by 31 December 2022. The prize will be awarded by 31 January 2023, and will be announced on the *Atoms* website.
