Dear Colleagues,

As the Editor-in-Chief of *Cancers*, I am pleased to announce the winners of the *Cancers* 2022 Travel Awards.

2022 TRAVEL AWARD WINNERS

The awards have been granted to Diego de Miguel Perez, a postdoctoral fellow from the Icahn School of Medicine at Mount Sinai, and Luigi Russo, a postdoctoral fellow from the Italian Institute of Technology (IIT).

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all of the applicants for submitting their diverse and fascinating range of research topics. On behalf of the Assessment Committee, I congratulate the winners on their accomplishments.
