USA

Prof. Dr. Johannes Van Den Anker

Division of Clinical
Pharmacology, Children's
National Hospital, 111 Michigan
Avenue NW, Washington, DC
20010, USA

Message from the Guest Editors

Dear Colleagues,

The Children journal has afforded me and Dr. Johannes Van Den Anker, the great opportunity to be guest editors of a Special Issue dedicated to the topics of childhood obesity and perioperative controversies, including drug dosing and updates in pediatric/adolescent bariatric surgery. Please join me in making this Special Issue innovative and scientifically relevant by contributing your manuscript.

Deadline for manuscript
submissions:

5 December 2024
