

crystals

Dear Colleagues

We are pleased to announce that *Crystals* is now inviting nominations for the *Crystals* 2022 Young Investigator Award. This prize will be awarded to one young investigator in recognition of her/his excellence in the field of crystallography, including areas such as crystalline materials, crystal engineering, liquid crystals, biomolecular crystals, industrial crystallization, and mineralogical crystallography and biomineralization. All nominations will be assessed by an evaluation committee led by the Editor-in-Chief, Prof. Dr. Helmut Cölfen.

2022 YOUNG INVESTIGATOR

AWARD

The prize:
