Dear Colleagues,

We are pleased to announce that the winner of the *Dentistry Journal* 2021 Young Investigator Award is Dr. Helen Rogers.

Dr. Helen Rogers is a Clinical Lecturer in Paediatric Dentistry at the School of Dental Sciences at Newcastle University, UK. She has a passion for clinical academia, and her interests include child-centred research and oral health economics. Her Ph.D focussed on the development of the first utility measure for children with caries. Please join us in congratulating Dr. Helen Rogers for her outstanding achievements.

2021 YOUNG INVESTIGATOR AWARD

WINNER

As the awardee, Dr. Helen Rogers will receive an honorarium of CHF 800, an offer to publish a paper free of charge in 2022 in *Dentistry Journal* after peer-review, and an engraved plaque.

We would like to thank all the nominators from various fields of study for their participation and all the Award Committee Members for their evaluation of the many excellent nominations.
