Dear Colleagues,

We are pleased to announce that the winner of the *Energies* 2021 Young Investigator Award in Electric and Hybrid Vehicles is Dr. Christopher H. T. Lee.

Dr. Lee is an Associate Professor in the School of Electrical and Electronic Engineering at the Nanyang Technological University, Singapore. Dr. Lee's research interests are in electric vehicle technologies, machines and drives and renewable energies. Dr. Lee received his Ph.D. in 2011 and has an outstanding publication record, comprising more than 80 publications in peer-reviewed international journals. Dr. Lee's Scopus Scientific Citations number is 477 and his Hirsch index is 21. He is evidently a rising star in the field of electric machines and drives. As a single applicant, Dr. Lee has secured funding of more than USD 7 million investigated research grants. This is an outstanding achievement in today's competitive environment. Please join us in congratulating Dr. Lee for his outstanding achievements.

## 2021 YOUNG INVESTIGATOR AWARD WINNER

As the awardee, Dr. Lee will receive an honorarium of CHF 2000, an offer to publish a paper, free of charge, in *Energies* before 31 December 2022, following peer review, and an engraved plaque.

We would like to thank all the nominators from various fields of study for their participation and all the Award Committee Members for their evaluation of the abundant excellent nominations.
