Dear Colleagues,

As the Editor-in-Chief of *Energies*, it is my great pleasure to announce the winner of the *Energies* 2021 Best PhD Thesis Award. This prize is for a PhD student who has produced a highly anticipated academic potential thesis.

## 2021 BEST PHD THESIS AWARD WINNER

The award has been granted to:

“High-Safety Phosphate Electrolytes for Lithium Metal Batteries” By Tan Shuang-Jie, Institute of Chemistry, Chinese Academy of Sciences, China

The winner will receive CHF 500, a certificate, and a chance to publish a paper in *Energies* in 2022.

On behalf of the evaluation committee, I would like to congratulate the winner on his accomplishments. We would also like to take this opportunity to thank all the nominated research groups of the above exceptional thesis for his contributions to *Energies* and the Award Committee for voting and helping with this award.
