Message from the Collection Editor

Dear Colleagues,

We are delighted to invite you to contribute a research or review paper for this Special Issue on hybrid renewable energy and energy storage systems. The guest editors and main topics are presented below:

Prof. Dr. Abdul-Ghani Olabi
Guest Editor

- Renewable Energy Systems
- Solar Energy
- Wind Energy
- Marine and Hydro Energy
- Geothermal Energy
- Biomass
- Hydrogen and Fuel Cell
- Energy Storage Systems

Message from the Editor-in-Chief

Energies is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.
High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.
Journal Rank: CiteScore - Q1 (*Engineering (miscellaneous)*)
