

geosciences

Dear Colleagues,

We are pleased to announce the winner of the *Geosciences* 2021 Outstanding Reviewer Award. The *Geosciences* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers to checking the manuscripts submitted to *Geosciences*. It is due to their efforts that the high quality and quick turnaround of the journal is maintained.

2021 OUTSTANDING REVIEWER AWARD

WINNER

Dr. Dave Waters

Department of Earth Sciences and Museum of Natural History, University of Oxford, Oxford, UK.

Research Interest: the evolution of the metamorphic core of the Himalaya and Karakoram; the formation and exhumation of eclogites in collision zones; the petrology of ophiolite complexes and their high-temperature metamorphic soles; and partial melting processes in relation to granulite formation and the generation of granites.

Kind regards,
Prof. Dr. Jesus Martinez-Frias
Editor-in-Chief, *Geosciences*
