

# International Journal of *Environmental Research and Public Health*

Dear Colleagues,

We are pleased to announce that the following two conference applicants who have been selected as the winners of the *IJERPH* 2021 Academic Conference Grants. Under the global epidemic, academic exchanges have been greatly restricted, and many academic conferences have been forced to cancel or transform into online platforms. Therefore, to maximize the promotion of academic exchange and give the academic community the most possible support, *IJERPH* specially set up this grant to encourage or commend innovation in global academic exchange.
