2023 PHD THESIS AWARD
FOR PHD STUDENT OR DOCTOR

Dear Colleagues,

The journal *Mathematics* is inviting applications for the *Mathematics* 2023 Best PhD Thesis Award. This prize will be awarded to two PhD students or recently qualified PhDs who have produced a highly anticipated thesis with great academic potential. The applications will be assessed by an evaluation committee led by the Editor-in-Chief, Prof. Dr. Francisco Chiclana.

Eligibility and Requirements:
– The candidate must be a PhD student or recently qualified PhD who has produced a highly anticipated thesis with great academic potential;
– The PhD thesis must be their original work;
– The PhD thesis must be defended in 2023.

Required Application Documents:
– An executive summary of the PhD thesis in English of around 3000 words;
– A letter from the PhD supervisor recommending the candidate for consideration for this award;
– The candidate's CV, including a list of publications connected with the thesis;
– An electronic copy of the PhD thesis;
– A scanned copy of the PhD diploma (or certificate of studying at a school or research institute as a PhD student going to graduate or participate in graduation thesis defenses).

Selection Criteria:
– Quality of resume and publications;
– Relevance of the candidate and research description;
– Novelty of the candidate's PhD thesis;
– Strength of the recommendation letter;
– Anticipated academic potential;
– Originality and impact of the research.

Prizes:
– Bonus (CHF 500);
– Certificate;
– Offer to publish one paper free of charge in *Mathematics* after peer review before the end of 2024.

The application deadline is 31 January 2024. The winner will be announced on the *Mathematics* website by the end of April 2024.
