

# *non-coding RNA*

Dear Colleagues,

It is with deepest regret that we have to announce the 2020 *Non-Coding RNA* Travel Award for travel in 2020 has been postponed due to the ongoing coronavirus outbreak. Applications for 2021 are welcomed and will be made under the description “2020 *Non-Coding RNA* Travel Awards”.

We are pleased to announce that the application period is now open for the 2020 *Non-Coding RNA* Travel Award. Applications will be assessed by an Evaluation Committee chaired by the Editor-in-Chief of *Non-Coding RNA*, Prof. George Calin.

The award of 800 Swiss Francs is intended to financially assist the winner in presenting an oral presentation and/or poster at an international academic conference related to non-coding RNA in 2020/2021.

## 2020-2021 NON-CODING RNA TRAVEL

# AWARD

## FOR POSTDOCTORAL FELLOWS

### Candidate Requirements:

- Applicants must be postdoctoral fellows doing research on non-coding RNAs.
- Applicants must plan to attend an international conference in 2020/2021 to present their research (oral or poster presentation).

### Required application documents:

- Outline of current and planned future research.
- CV (please include a complete list of publications).
- The conference you would like to attend (list the conference name and its website) and an abstract of the work you plan to present.
- A letter of recommendation from your supervisor, research director, or department head confirming your status as a postdoc.

Please submit your documents at <https://www.mdpi.com/journal/ncrna/awards> by **31 March 2021**. The winner will be announced on the *Non-Coding RNA* website by **31 May 2021**.
