

nutrients

Dear Colleagues,

All the applications were evaluated by evaluation committee members, who ranked the applicants according to their CV and scholarly achievements, their research, the significance of the conference, and their career aspirations. On behalf of the Editors-in-Chief of *Nutrients*, Prof. Dr. Lluís Serra-Majem and Prof. Maria Luz Fernandez, we are pleased to announce the winners of the Nutrients 2019 Travel Awards:

Dr. Elom K. Aglago, from International Agency for Research on Cancer (France). His current research centers on dietary advanced glycation end-products (AGEs)/fatty acids intake and metabolism and colorectal cancer risk.

Dr. Bryan M Gannon, from Cornell University (USA). His current research centers on a translational approach to positively impacting nutritional status and outcomes.

2019 NUTRIENTS TRAVEL AWARDS WINNERS

We congratulate them on their excellent work and would further like to thank all applicants for their interesting and high-quality contributions. We also wish to thank the Evaluation Committee members, Editors-in-Chief Prof. Dr. Maria-Luz Fernandez and Prof. Dr. Lluís Serra-Majem, and also including Prof. Dr. Giuseppe Grosso, Prof. Dr. David Nieman, Dr. Bahram H. Arjmandi, and Dr. Therese O’Sullivan, for their evaluation of the candidates.
