Dear Colleagues,

As Editor-in-Chief of *Nutrients*, I am pleased to announce the winner of the *Nutrients* Travel Award in Nutrition and Metabolism for 2021.

2021 TRAVEL AWARD WINNER

The award has been granted to Dr. Hanna Huber, who is a PhD student from University of Bonn (Germany). Her current research focuses on the influence of the gut-brain axis in neuroprotection in dependence of healthy dietary patterns.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on her accomplishments.
