Dear Colleagues,

As Editor-in-Chief of *Nutrients*, I am pleased to announce the winner of the *Nutrients* Travel Award in Nutrition Methodology&Assessment for 2021.

2021 TRAVEL AWARD WINNER

The award has been granted to Dr. Rik Olde Engberink, who is a post-doctoral fellow from Amsterdam University Medical Center in Amsterdam, Netherlands. His research is developing new methods for estimation of sodium and potassium intake.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on his accomplishments.
