Message from the Guest Editors

Dear Colleagues,

As a joint meeting, the 26th Medicinal Chemistry Conference of GP2A and 32nd Journées Franco-Belges de Pharmacochimie took place between 13th and 15th June at Asnelles sur Mer (Normandie, France) and provided a unique opportunity to engage with a wide group of European Medicinal Chemists.

Topics included chemical tools for medicinal chemistry, protein–protein interactions, epigenetic, natural product-inspired molecules, computer-aided drug design, and new strategies for the design and development of drugs.

Speakers at the conference and other researchers are cordially invited to contribute original research papers or reviews to this Special Issue of *Pharmaceuticals*

Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*.

Pharmaceuticals is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us.

We hope to handle your contribution to *Pharmaceuticals* soon.
