Dear Colleagues,

As the Editor-in-Chief of *Polymers*, it is my great pleasure to announce the winner of the *Polymers* 2023 Best PhD Thesis Award. This award is for a PhD student or recently qualified PhD who has produced a highly anticipated thesis with great academic potential.

2023 BEST PHD THESIS AWARD
WINNER

The award has been granted to:
"Processing and Characterization of Industrial Formulations of Aliphatic Polyesters by Injection Moulding and Additive Manufacturing Technologies"
By Juan Ivorra-Martinez, Universitat Politècnica de València, Spain

The winner will receive CHF 800, a certificate and a chance to publish a paper free of charge after peer review in *Polymers* after peer review before the end of 2024.

On behalf of the evaluation committee, I congratulate the winner on their accomplishments. We thank all the applicants for submitting their exceptional theses and the Award Committee for voting and helping with this award.
