

# *remote sensing*

Dear Colleagues,

We are pleased to announce the winners of the *Remote Sensing* 2023 Travel Award. The award has been granted to Dr. Solmaz Fathololoumi, who is a postdoctoral scholar in the school of Environmental Science Ontario Agricultural College, at the University of Guelph, Canada, and Mr. Georgy Neroblov, who is a PhD student in the Faculty of Physics, Department of Atmospheric Physics, Saint-Petersburg State University, Russia.

## 2023 TRAVEL AWARD WINNERS

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners on their accomplishments.
