

remote sensing

Dear Colleagues,

We are pleased to announce that *Remote Sensing* is now inviting nominations for the *Remote Sensing* 2024 Young Investigator Award. This prize will be given to one young investigator in recognition of their excellence in the science and application of remote sensing technology. All nominations will be assessed by an Evaluation Committee consisting of senior scholars from the *Remote Sensing* Editorial Board.

The Prize:

- CHF 2000;
- The option to publish one paper free of charge in *Remote Sensing* after peer review before 30 April 2025;
- An electronic certificate.

Eligibility and Requirements:

- Must have received their PhD no more than 10 years prior to 31 December 2023;
- Must have produced ground-breaking research and made a significant contribution to the advancement of the science and application of remote sensing technology;
- Candidates must be nominated by senior scientists.

List of Documents for Nomination:

- Detailed curriculum vitae, including an updated publication list and a list of the researcher's own research grants;
- Scanned copy of doctorate certificate;
- Signed nomination letters from two established senior scientists.

Schedule:

Open for nomination: 10 August 2023

Nomination deadline: 31 December 2023

Winner announcement: 30 April 2024

How to Submit Nominations:

The nominations must be submitted online.
