Dear Colleagues,

We are pleased to announce the winner of the *Sensors* 2021 Travel Award in Biosensors.

After careful evaluation, the award has been granted to: Dr. Yuzhi Shi, the Research fellow in School of Electric and Electronic Engineering, Nanyang Technological University (NTU), Singapore. His research focuses on developing optofluidic digital chips for the manipulation and sensing of viruses, such as sorting, trapping and detection. As the winner, he will receive CHF 500 and a certificate.

2021 TRAVEL AWARD WINNER

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the Assessment Committee, we congratulate the winner on his accomplishments.

Kind regards,
Sensors Editorial Office
