Economics, MNS- University of  
Agriculture, Multan 66000,  
Pakistan

Deadline for manuscript  
submissions:

**closed (15 February 2023)**

### Message from the Guest Editors

The purpose of this Special Issue is to explore the rarely considered aspect of farmers' socioeconomic factors and its ultimate impact on their welfare in the era of changing climatic conditions and deteriorating environmental conditions. This Special Issue welcomes articles on the abovementioned topic, which will provide valuable contributions to the literature on climate-centered studies.

### Keywords

- adaptation and adaptive capacity
- gender disaggregated effects
- crop productivity
- economic efficiency
- credit access through informal markets
- farmer cooperatives
- access to input markets
- the role of marketing intermediaries
- technology adoption
- advisory services
- farmers' livelihoods under changing climate
- impact of co-working in information dissemination

an Open Access Journal by MDPI
