Message from the Guest Editor

Dear Colleagues,

This Special Edition hopes to collect studies that will help to understand the situation of the current energy policy in various countries and how they are striving to shift toward renewable energy or research analyzing energy markets to reveal their present conditions. The Special Issue also invites diverse topics related to global energy economics and implications of energy-related policies. Below are some of the potential topics that are related to the focus of this Special Issue:

- Global/regional fossil fuel energy markets;
- Global/regional renewable energy markets;
- Electric vehicle adoption;
- Energy policy and climate change;
- Energy efficiency development;
- Energy policy in developed and developing nations;
- Energy policy in energy security;
- Global/regional policies to reduce energy poverty;
- Global/regional policies for combating the effects of COVID-19 on the energy sector.
