### Message from the Guest Editors

the scope of Special issue Sustainability in Industrial Management and Economy is to discuss up-to-date and innovative advances in management and economy from interdisciplinary point of view. Nowadays, management practice is facing challenges like globalization, technological advances, market and economic changes, changes in human resources management, lack of skilled labor and call for new roles. All these above changes in human resources management mentioned challenges cause the diversity and new managerial approaches.

Deadline for manuscript  
submissions:

**closed (30 September 2021)**

an Open Access Journal by MDPI
