Deadline for manuscript
submissions:

31 December 2021

Message from the Guest Editors

This Special Issue welcomes the following topics, but is not limited to:

- Spatial and temporal inequality in COVID-19 diagnosis, treatment and rehabilitation
- Spatial and temporal patterns of environmental exposure to COVID-19 virus in the context of mobility restrictions
- The spatial, socio-economic and behaviour determinants of the heterogeneous risks of exposure to COVID-19 virus
- Inequality of impacts of digital infrastructure on monitoring, tracking, and supporting the COVID-19 control measures
- Inequality of impacts of governance practice on COVID-19 health risks, prevention and intervention
- Innovative methods of collecting data, analysing patterns, and modelling dynamics related to COVID-19 health inequalities

an Open Access Journal by MDPI

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many other databases.

Journal Rank: [JCR - Q2 \(Environmental Sciences\)](#) / [CiteScore - Q1 \(Geography, Planning and Development\)](#)
