

universe

Dear Colleagues,

The Editorial Board and the Editorial Team of *Universe* gratefully acknowledge all those who have kindly given their time to review papers submitted to *Universe*, and are delighted to announce the winners of the 2019 *Universe* Outstanding Reviewer Award. The criteria used for the selection of the winning reviewers included the number of papers reviewed as well as the quality and speed of the reviews.

We congratulate the following referees (in no particular order), who have been selected to receive an Outstanding Reviewer Award in recognition of their significant contributions over the past year:

2019 OUTSTANDING REVIEWER AWARD WINNERS

Lorenzo Iorio, Ministero dell'Università e della Ricerca

Oleg Tsupko, Space Research Institute of the Russian Academy of Sciences

Irina Dymnikova, Uniwersytet Warmińsko-Mazurski w Olsztynie

Volker Perlick, University of Bremen

Kazuharu Bamba, Fukushima University

Matthias Bartelmann, Universität Heidelberg

Each of them will receive a Certificate of Appreciation, as well as the chance to publish a paper in *Universe* free of charge in 2020.
