

urban science

Dear Colleagues,

After a thorough assessment of all applications by the Evaluation Committee, we are pleased to announce that **Dr. Francesco Aletta** is the winner of the *Urban Science* Travel Award 2019, and will receive 500 Swiss Francs towards his travel expenses to attend the 23rd International Congress on Acoustics in Aachen, Germany.

Dr. Francesco Aletta received his Ph.D. at Second University of Naples in 2014, and is now a Research Associate at University College London. His research focuses on noise annoyance, soundscape, and environmental acoustics.

2019 URBAN SCIENCE TRAVEL AWARD

WINNER

We would like to congratulate him on his excellent work, and would further like to thank all applicants for their interesting and high-quality contributions. We also wish to thank the Scientific Committee members for their evaluation of the candidates.

Prof. Dr. Michael Peter Smith
Editor-in-Chief

Urban Science (ISSN 2413-8851; <https://www.mdpi.com/journal/urbansci>) is a scholarly international journal which provides a platform for the exchange of ideas, methods, and information on urban and regional studies. It is a peer-reviewed, open access journal that publishes high-quality original articles, critical reviews, research notes, and short communications.

Academic Open Access Publishing
